Sample Payment Policy for Medical Practices | Physicians ...

Accepting insurance at your practice and signing a contract does not mean that you've opened your arms up to assume that financial risk. It is important that patients understand this concept. One way to ensure patients understand your requirements is to ask patients to sign a payment policy. Here's ...

Four Payment Methods by Medical Insurance

An insurance payment made to the medical office for each day or visit is a per diem or per visit payment. Per diem payments are made based on a predetermined amount regardless of the amount of time spent by the physician providing treatment or the array of services that the patient may receive during the visit.
