The Framers' Coup: The Making of the United States ...

"The Framers' Coup is the first comprehensive account of the entire struggle for the United States Constitution, from the inception of the amalgamating impulse in the early 1780s all the way through to the ratification of the Bill of Rights in 1791. A lot of us who write books about the Constitution are about to see our royalties trail off, because Michael Klarman, in a brisk narrative, deftly summarizes all the major interpretations in developing his own provocative and persuasive take.
